

SKILLOGALEE DOG POLICY

We're excited to have you and your furry family members join us at Skillogalee in the heart of the Clare Valley. We're dedicated to making sure everyone, including those with paws, has a fantastic time. Here are some important guidelines to help ensure a paw-sitively wonderful stay:

Dog Fee: There's a small fee of \$25 per dog staying in our accommodation. This helps us keep our spaces clean and cosy for everyone and includes some treats and dog bowls for your four-legged friend's use. For dogs over 30kg, please let us know in advance as prior approval is needed.

Bedrooms & Furniture: We ask that your furry friends strictly refrain from entering the bedrooms or hopping onto furniture. These spaces are reserved only for human use to ensure everyone's comfort, protection from allergies, and cleanliness of our spaces. It's also important not to leave dogs unattended in the accommodation to prevent any possible distress or damage.

For Human Use Only: To maintain hygiene, please ensure that only the dog bowls provided and your own pet supplies are used for feeding, watering, and bedding. Accommodation amenities, including crockery, cutlery, towels, linen, and pillows, are strictly off-limits for pet use.

Leashing & Safety: For the safety of your dog, fellow guests, and our local wildlife, please keep your dog on a leash at all times while outside your accommodation. Our beautiful estate is also a working farm, home to diverse wildlife, including snakes, and operating farm machinery. We want to keep everyone, including your dog, safe and protected.

Behaviour Guidelines: We are counting on you to ensure your dog's behaviour is appropriate at all times. Excessive barking or any aggression will not be tolerated and may require you to remove your dog from the property. Please be considerate of other guests' safety and comfort around dogs.

Restaurant Etiquette: Well-behaved, leashed dogs are welcome in our outdoor dining area. Please be mindful of the impact on other guests. We aim to accommodate everyone's needs, but if a guest is uncomfortable, we may ask you to relocate to another seating area to ensure everyone enjoys a wonderful dining experience.

Cleaning Up: Keeping our property clean and beautiful is a shared responsibility. Please ensure you promptly clean up after your dog, utilising a waste bag and the bins provided. This includes cleaning up all dog waste, wherever it may occur around the property or your accommodation.

Important Fee Information: A minimum fee of \$100 will apply for any additional cleaning or repairs needed due to your dog's stay. Depending on the extent of the cleaning required or the cost of repairs, this fee can increase up to the actual amount of labour and materials needed to resolve any issues. This fee encompasses, but is not limited to, the cleanup of any dog waste, removal of excessive pet hair, repairing or replacing items damaged by scratches or chewing, and any other necessary cleaning to ensure the accommodation is returned to its pristine condition for the next guest.

We truly appreciate your cooperation with these guidelines. By staying at Skillogalee, you're agreeing to these terms, helping us ensure a delightful experience for all guests, whether on two legs or four.

If you have any questions or need more information, our staff are more than happy to assist. We're looking forward to welcoming you and your furry friend for a memorable stay at Skillogalee.

Thank you from the Skillogalee Team
