

TASTING EXPERIENCES

From the slopes of Spring Gully, Skillogalee produces wines of purity, structure and place. Our dry-grown vines trace the natural contours of ancient soils, shaped by cool nights and elevated terrain. Sustainability is at the heart of our estate, and each wine reflects the landscape and heritage that define Skillogalee.

Estate Tasting · 15

An introduction to Skillogalee, featuring five wines from our Estate range and highlighting the classic Clare Valley trilogy of Riesling, Cabernet and Shiraz.

Riesling Tasting · 25

An all-Riesling journey showcasing five distinct expressions of our signature variety, exploring the breadth of Riesling through our Estate, Trevarrick, Small Batch, Museum and Late Harvest wines.

Portfolio Tasting · 35

A side-by-side exploration of Estate and Trevarrick wines, offering a clear view of place and expression, with Riesling, Shiraz and Cabernet presented alongside their Trevarrick counterparts, drawn from our most distinguished vineyard parcels.

All experiences are designed to take 45 minutes to an hour, though you are welcome to enjoy them at your own pace. Tasting fees are redeemable with wine purchases of \$100 or more per tasting.
